

SIRIUS 21' SAILBOAT FOR SALE

Due to our advancing age and health issues, we have decided to retire from sailing and watch our beautiful "Atticus" sail away to a deserving home. She has a white hull with blue accent and blue Interlux bottom paint. The interior is also white with blue and white upholstery in excellent condition. The drapes and curtains are blue. She is located in the Sault Ste. Marie, Ontario area and has been stored inside during the off season. All interior cushions are bagged and stored inside our home. The inside and outside of the boat is very clean and ready to sail. She is a turn-key cruising sailboat with a large inventory and is a great boat for Georgian Bay/North Channel trailer sailing. Some of the features include:

Specs:

LOA 21' 2"
Beam 7' 11"
Displacement 2000 lbs.

Hull:

Vandestad & McGruer 1981 Sirius 21 foot positive flotation hull, built in Owen Sound, Ontario

The boat is in bristol condition and has been cleaned inside and out, waxed and bottom painted (Spring 2011). You will be hard pressed to find a better Sirius 21 in Canada. The boat has not seen salt water and as you can see, all that is needed is your dinnerware and groceries and you are ready to hook on, launch the boat and go sailing. Photographs can be sent upon request. Price \$8500 negotiable.

Price is \$8,500 Can.
